Guidelines for the Award and Renewal of Admission Scholarships for Overseas Chinese, Hong Kong, and Macao Students

1. Scholarship Coverage

Recipients will receive a 50% tuition and incidental fees waiver for their first and second semesters upon admission.

2. Application Procedure

No separate application is required. Students who complete the enrollment and registration procedures within the designated deadline will automatically qualify for the scholarship.

3. Eligibility for Scholarship Renewal

Starting from the second academic year, recipients must meet the following criteria to remain eligible for renewal:

(1) Academic Achievement Standard: The average academic grade for the previous academic year (or two semesters) must be 80 or above for graduate students, and 70 or above for undergraduate students.

(2) Coursework Requirement: No failing grades in any required professional courses offered by the student's department or institute. (Doctoral students who have completed all required credits may submit a research proposal/dissertation for evaluation; the application format and details will be specified separately).

(3) Conduct Requirement: No record of illegal acts or major violations of university regulations during the period of study.

4. Maximum Duration of Award

(1)Undergraduate Program: Up to 4 years.

(2)Master's Program: Up to 2 years.

(3)Doctoral Program: Up to 4 years.
